

2020 Colonias Awards

Project No.	Applicant	County	Benefiting Colonias	Project Type	Project Description/Scope	Funding Amount Recommended
5160-CIF	Chamberino MDWCA	Dona Ana	Chamberino	Water Infrastructure	Water System Improvements -Construction waterline and water storage tank improvements and acquire water rights.	\$ 1,349,000
5161-CIF	Cider Mill Farms MDWCA	Otero	High Rolls	Roads and Drainage Infrastructure	West Cider Mill Farm road reconstruction -Construction of improvements to East Cider Mill Farms Road	\$ 225,000
5165-CIF	Dona Ana County	Dona Ana	Chaparral	Wastewater Infrastructure	Chaparral Ph 2C -Design and construct Chaparral Phase 2C wastewater project	\$ 1,296,680
5166-CIF	Dona Ana County	Dona Ana	San Miguel, La Mesa, Mesquite, Chamberino, Berino, Las Palmeras, Montana Vista, Vado/Del Cerro	Wastewater Infrastructure	South Central Wastewater Collection -Design and construct repairs and upgrades to lift stations, manholes, main line replacements and extensions	\$ 2,545,500
5167-CIF	Dona Ana County	Dona Ana	Chaparral	Housing Infrastructure	Chaparral Phase 2C house connections -to construct and install sewer connections from ROW to dwelling.	\$ 565,000
5168-CIF	Dona Ana Mutual Domestic Water Consumers Association	Dona Ana	Fairacres	Water Infrastructure	West Mesa water system rehab and expansion -Plan (PER) the upgrade of the existing water system	\$ 93,533
5169-CIF	Garfield MWC&MSWA	Dona Ana	Salem, Placita, Garfield	Water Infrastructure	Well Improvement Project -Design and construction a replacement well and well house.	\$ 657,273
5170-CIF	Grant County	Grant	Indian Hills	Wastewater Infrastructure	Indian Hills Sewer extension -Plan extension 49,500 IF North to provide sewer service to Indian Hills	\$ 36,407
5172-CIF	Grant County (1)	Grant	Mockingbird Hill	Roads and Drainage Infrastructure	Truck Bypass Road -Engineering design for truck bypass pads reconstruction and culvert replacement	\$ 300,000
5173-CIF	Grant County (3)	Grant	Little Walnut	Roads and Drainage Infrastructure	Little Walnut Road -Engineering design (design analysis/drainage recommendation); ROW roadway construction for almost 3 miles of Little Walnut road to include drainage and widening of roadway for bicycle/pedestrian lane on one side	\$ 271,500
5175-CIF	Grant County (2)	Grant	Silver Acres	Roads and Drainage Infrastructure	Ridge Road Project -Surveying and design engineering services to improve Ridge Road; project begins at the intersection of Lance and Ridge rd. and traverses 2.5 miles south to end of the pavement.	\$ 200,000
5176-CIF	Hatch, Village of	Dona Ana	Hatch, Rodey	Wastewater Infrastructure	Rodey and Chile capital lane lift station improvements -Plan, design and construction of wastewater system improvements to rehabilitate the Rodey lift station and install new lift station on Chili Capital lane.	\$ 720,000
5177-CIF	Hope, Village of	Eddy	Hope	Water Infrastructure	Water System Improvements - design, purchase and construct water system improvements including a 100,000 gallon water storage tank, rehabilitate and clean existing tank, install gate valves and other related water system improvements.	\$ 862,873
5178-CIF	Hurley, Town of	Grant	Hurley	Roads and Drainage Infrastructure	A street and drainage improvements -Construction phase road and drainage improvements to replace 30 year old pavement on A St. (from 1st st - 4th st.)	\$ 573,000
5180-CIF	Lordsburg, City of	Hidalgo	Lordsburg	Water Infrastructure	Water Improvements -Design of a reverse osmosis water treatment facility to remove high fluoride concentration and enhance water quality.	\$ 236,000
5181-CIF	Lordsburg, City of	Hidalgo	Lordsburg	Water Infrastructure	Waterline replacement Project Ph. II -Design of water system improvements to include new distribution lines, service lines, valve hydrants.	\$ 278,000
5183-CIF	Malaga MDWC & SWA	Eddy	Malaga	Water Infrastructure	Water system improvement -Design and construct including replacing existing waterline and meter loops, water can, water meters, services, valves and fire hydrants	\$ 844,186
5185-CIF	Ruidoso Downs, City of	Lincoln	Ruidoso Downs	Water Infrastructure	Eastward distribution system -Design, EID from NMDOT permit and construct for installation of waterline and associated appurtenances	\$ 1,535,500
5186-CIF	San Antonio MDWCA	Socorro	San Antonio	Water Infrastructure	Water system improvements -Design and construct an exploratory well	\$ 641,777
5187-CIF	Santa Clara, Village of	Grant	Santa Clara	Water Infrastructure	Belim St. Caddel crossing water system improvements -Design, and construction for water main and service line replacement.	\$ 1,036,000
5188-CIF	Silver City, Town of	Grant	Silver City, Tyrone, Pinos altos, Rosedale, Arenas Valley	Water Infrastructure	Chloride flats water storage tank renovations -Construct interior and exterior renovations to 1 million gallon storage tank to include new interior and exterior coatings, access modifications, and installation of new vent.	\$ 901,815
5189-CIF	Silver City, Town of	Grant	Silver City	Roads and Drainage Infrastructure	Ridge Road street and drainage Improvements Ph II -Ridge rd Ph II Construction includes paving, curb & gutter, sidewalks, ADA, drive-pads, drainage, striping and signage.	\$ 1,628,600
5190-CIF	Southwest Solid Waste Authority	Grant	Multi	Solid Waste Infrastructure	Cell 9 plan, design, construction -Planning and design the construction of Cell 9 for Southwest Solid Waste Authority	\$ 68,000
5191-CIF	Sunland Park, City of	Dona Ana	Sunland Park	Roads and Drainage Infrastructure	Anapra Phase II -Design (updating plans/specs), construction for drainage improvements Calle Morrao and Calle Diaz Streets which include pavement, curb gutter, sidewalk, drainage swales, lowering of the intersection.	\$ 1,209,639
5192-CIF	Truth or Consequences, City of	Sierra	Truth or Consequences	Roads and Drainage Infrastructure	Roads/drainage improvements Main street downtown waterlines -Design and reconstruct the full street pavement section following waterline construction (paid by USDA).	\$ 1,000,000
5193-CIF	Vista del Rey Estates MDWCA	Dona Ana	Vado	Water Infrastructure	Water system improvements -Construction replacement of booster pump and distribution lines.	\$ 707,217
5194-CIF	Williamsburg, Village of	Sierra	Williamsburg	Roads and Drainage Infrastructure	Mona and Doris avenue roadway, drainage and utility -Plan (\$25,000 PER), design and construction of Mona and Doris Ave. including replacement of water and sanitary sewer, new storm drain infrastructure, and roadway reconstruction.	\$ 250,000

Total \$ 20,032,500
