

Project No.	Applicant	County	Benefitting Colonias	Project Type	Project Name/Scope Description	Amount Recommended
5747-CIF	Bayard, City of	Grant	Bayard	water infrastructure	Water system Improvements - design of a new backup power system for the existing well fields	\$ 127,400
5748-CIF	Bayard, City of	Grant	Bayard	wastewater infrastructure	Sewer system improvement - design a new lift station; gravity sewer main, force main and backup diesel generator.	\$ 121,300
5749-CIF	Bayard, City of	Grant	Bayard, Hurley, Santa Clara	wastewater infrastructure	Wastewater Facility planning grant - planning and preliminary design of wastewater system improvements	\$ 100,000
5750-CIF	Camino Real Regional Utility Authority	Dona Ana	Sunland Park	wastewater infrastructure	Vacuum lift station replacement - design/survey/ROW acquisition of two lift stations and sewer force main.	\$ 267,027
5751-CIF	Camino Real Regional Utility Authority	Dona Ana	Sunland Park	wastewater infrastructure	Sunland Park WWTP Ph. 2 improvements - design improvements of the aeration basin, and the primary lift station	\$ 267,027
5752-CIF	Carrizozo, Town of	Lincoln	Carrizozo	water infrastructure	Water system Improvements - design of the surface water treatment plant.	\$ 310,360
5753-CIF	Catron, County of	Catron	Reserve	Roads/drainage infrastructure	Beaver Head rd./drainage improv. - design improvements including roadway culverts and re-establishment of roadside ditches.	\$ 162,500
5754-CIF	Chamberino MDWCA	Dona Ana	Chamberino	water infrastructure	Hwy 28 waterline connection - design, construct 3,200 lf of waterline along the new Chamberino access road	\$ 636,500
5755-CIF	Cloudcroft, Village of	Otero	Cloudcroft	water infrastructure	Curlew to Corona water infrastructure improvements - design, construct/replace waterlines, service taps and fire hydrants.	\$ 210,000
5756-CIF	Cloudcroft, Village of	Otero	Cloudcroft	water infrastructure	Sugar Pine water infrastructure improvements - design construct replacement of waterlines, service taps and fire hydrants	\$ 295,000
5758-CIF	Deming, City of	Luna	Deming	water infrastructure	Encanto Circle waterline replacement Ph. III - construct replacement of approx. 2,100 lf of old waterlines and 260 lf of service lines.	\$ 198,415
5761-CIF	Dona Ana County	Dona Ana	San Miguel, La Mesa, Mesquite, Chamberino, Berino, Las Palmeras, Montana Vista and Vado/Del Cerro	wastewater infrastructure	South Central WWTP Ph. 4 - final design/construct improvements to sludge dewatering process.	\$ 2,850,494
5762-CIF	Dona Ana County	Dona Ana	La Union	Flood prevention	La Union Drainage Project - design, land acquisition of drainage improvements including conveyance channels, detention ponds, roadway improvements.	\$ 800,000
5765-CIF	Dona Ana MDWCA	Dona Ana	Dona Ana, San Ysidro	wastewater infrastructure	Dona Ana Village system rehab - construct/rehabilitation of existing lift station and force main.	\$ 910,000
5766-CIF	Elephant Butte, City of	Sierra	Elephant Butte	water infrastructure	Water system Improvements - design, land acquisition, ROW easement to enhance firefighting and water system storage capacity.	\$ 70,000
5768-CIF	Grant, County of	Grant	Little Walnut	Roads/drainage infrastructure	Little Walnut Rd. improvements Ph. I - construct one mile of Little Walnut rd. including drainage and widening for bicycle/pedestrian lane.	\$ 2,000,000
5773-CIF	Hurley, Town of	Grant	Hurley	Roads/drainage infrastructure	Improvements on Anza, Cortes, E St. - survey and design of roadway improvements along Anza St. and Cortez Ave	\$ 99,300
5774-CIF	Jal, City of	Lea	Jal	water infrastructure	Water transmission line project - design/survey/construct water transmission lines including connecting a parallel transmission line from the west field booster station to the Big Blue water tank.	\$ 5,195,389
5775-CIF	La Luz MDWCA & MSA	Otero	La Luz	water infrastructure	Waterline extensions - design/construct approx. 9,049 lf of waterline along Holiday Land and Villa Lucia	\$ 782,457
5776-CIF	La Union MDS & WA	Dona Ana	La Union	water infrastructure	Water PER - plan for a water PER and well siting study	\$ 64,000
5777-CIF	Lake Arthur, Town of	Chaves	Lake Arthur	water infrastructure	Water system Improvements - design replacement of waterlines including isolation valves, fire hydrants to tie into existing system.	\$ 543,022
5778-CIF	Lincoln, County of	Lincoln	Ruidoso Downs Colonia	Roads/drainage infrastructure	Palo Verde Slope subdivision improv. - construction including a new subsurface stormwater drainage system, and roadway improvements.	\$ 1,000,000
5781-CIF	Loving, Village of	Eddy	Loving	Roads/drainage infrastructure	Street and Drainage improvements - design improvements to 4th street	\$ 225,903
5782-CIF	Lower Rio Grande PWWA	Dona Ana	Anthony, Brazito, Mesquite, Del Cerro, La Mesa, Vado, Berino, Montana Vista, Joy Drive Subdivision, Las Palmeras, Organ, Mountain View, Butterfield Park	wastewater infrastructure	Mesquite-Brazito sewer project 2 - construct WW gravity collection system	\$ 5,715,000
5783-CIF	Luna, County of	Luna	Rockhound	Roads/drainage infrastructure	Roads and Drainage improvements - construction of county roadways .	\$ 1,013,819
5784-CIF	Luna, County of	Luna	Rockhound	Roads/drainage infrastructure	Rockhound and McCan Rd. improvements - ROW acquisition, construct roadway and flood control improvements to McCan rd. and Rockhound rd. intersection	\$ 1,080,000
5785-CIF	Malaga MDWC SWA	Eddy	Malaga	water infrastructure	Water system improvements - design upgrades including installation of approx. 1710 lf of pipeline on Ugden rd.	\$ 174,176
5786-CIF	Mesilla, Town of	Dona Ana	Mesilla	water infrastructure	University Ave. waterline replacement - construct replacement of existing asbestos concrete waterline in University Avenue.	\$ 675,034
5787-CIF	Reserve, Village of	Catron	Reserve	water infrastructure	New metering/disinfection bldg. - design/construct new water metering /disinfection bldg. including, piping, valves, meters and disposal of existing bldg.	\$ 454,546
5788-CIF	Rosedale MDWCA	Grant	Rosedale	water infrastructure	Water system Improv. Country to Evergreen - construct improvements including a new meter vault, meters, valves, backflow prevention, new waterlines.	\$ 456,729
5789-CIF	Ruidoso Downs, City of	Lincoln	Ruidoso Downs	water infrastructure	East and West Circle improvements - design/construct water system improvements including replacement of undersized waterlines	\$ 1,823,000
5790-CIF	Silver City, Town of	Grant	Silver City, Tyrone, Pinos Altos, Rosedale, Arenas Valley	Water Infrastructure	Water storage tank replacement-Franks Wellfield - construct new 300,000 gallon raw water storage tank in replacement of existing 150,000 gal tank.	\$ 1,138,320
5791-CIF	Silver City, Town of	Grant	Silver City	Roads/drainage infrastructure	32nd St. drainage improvements - construct paving, curb & gutter, sidewalks, ADA, drainage, drive-pads, striping of bike lanes and signage.	\$ 2,176,000
5792-CIF	Socorro, County of	Socorro	San Antonio	Flood prevention	San Antonio water drainage & flood mitigation - final design and construction of phases I, III, VII drainage improvements	\$ 2,481,818
5793-CIF	Southwest Solid Waste Authority	Grant	several	Solid waste infrastructure	Cell 9/9B design/construction - complete construction of Cell 9B and design and begin excavation of Cell 9C.	\$ 700,000
5796-CIF	Timberon WSD	Otero	Timberon WSD	water infrastructure	Water loss/system pressure mitigation - design, construct targeted line replacements.	\$ 454,546
5798-CIF	Tularosa, Village of	Otero	Tularosa	water infrastructure	Water system improvements - plan and design well siting study, drilling new well and related water system improvements	\$ 315,311
5799-CIF	Tyrone Water & WW Association	Grant	Tyrone	water infrastructure	Water system Improvements - design for replacement of existing asbestos-cement pipes throughout the Tyrone townsite	\$ 382,320
