

## *Opportunity Enterprise Housing Development Application*

**Part 1 of the application is to gather general information, as well as project information that will help NMFA determine if the request will be eligible for financing under the program.**

**Eligibility includes that NMFA staff must determine whether there is sufficient evidence that other means of financing a proposed enterprise housing development project are unavailable or insufficient.**

**Part 2 of the application will gather all other project and financial information required to rank the application, as well as, all financial information for underwriting the loan request.**

**Information obtained by the NMFA regarding applicants for enterprise assistance or housing assistance is confidential and not subject to inspection pursuant to the Inspection of Public Records Act, Section 14-2-1 to 14-2-12, NMSA 1978 (“IPRA”), provided that nothing shall prevent the NMFA from disclosing certain information, including non-confidential portions of the application, as permitted by the Opportunity Enterprise and Housing Development Act, Section 6-34-1 to 6-34-15, NMSA 1978, as amended and supplemented from time to time.**
